I once had a girl. Or should I say she once had me

She showed me her room. Isn't it good Norwegian wood?

I sat on a rug biding my time. Drinking her wine

We talked until two and then she said. "It's time for bed"

She told me she worked in the morning and started to laugh

I told her I didn't and crawled off to sleep in the bath

And when I awoke I was alone. This bird had flown

So I lit a fire Isn't it good Norwegian wood?
