Tall and tan and young and lovely the girl from Ipanema goes walking

And when she passes each one she passes goes "ah"

When she walks she's like a samba that swings so cool and sways so gentle

That when she passes, each one she passes goes "ooh"

But I watch her so sadly. How can I tell her I love her.

Yes I would give my heart gladly. But each day

When she walks to the sea, She looks straight ahead not at me.
