Tell me dear, are you lonesome tonight?

Spoken Interlude

I wonder if you're lonesome tonight.

You know someone said that the world's a stage and each must play a part

Fate had me playing in love with you as my sweet heart

Act one was when we met. I loved you at first glance

You read your lines so cleverly and never missed a cue

Then came act two. You seemed to change,

You acted strange and why I'll never know

Honey, you lied when you said you loved me and I had no cause to doubt you

But I'd rather go on hearing your lies than to go on living without you

Now the stage is bare and I'm standing there with emptiness all around

And if you won't come back to me, then they can bring the curtain down
