Nobody you meet could ever see

The loneliness there Inside you

Hey there, Georgy girl

Why do all the boys just pass you by?

|   |                      |                       |
|---|----------------------|-----------------------|

| D |                      |                       |

Could it be you just don't try

Or is it the clothes you wear?

|   |                      |                       |

| D |                      |                       |

You're always window-shopping

But never stopping to buy

|   |                           |                |
|---|---------------------------|----------------|

| D |                           |                |

So, shed those dowdy feathers and fly

A little bit

|   |                     |                      |
