Look at me I'm as helpless as a kitten up a tree

And I feel like I'm clinging to a cloud

I can't understand. I get misty, just holding your hand

Walk my way And a thousand violins begin to play

Or it might be the sound of your hello

D	3 2 3 4 0	1 2 3	0 1 0

That music I hear I get misty the moment you're near

You can say that you're leading me on

But it's just what I want you to do

On my own,

Would I wander through this wonderland alone

Never knowing my right foot from my left

My hat from my glove. I'm too misty,
