A rose should be

Where the sun shines through

Not where the wine is red

And the smoke is blue

A rose should be

Blooming in the light

Not in a rendezvous

Blooming in the night

And you are a rose

Maybe a wild rose

But I'll be proud to take you home

For all to see

To stand with me

Where the candles glow

D	4 3 2 1 1	1 2 3 3 2 1 0

With orange blossoms

All around the wild, wild rose
