I'd welcome her right back here in my arms

Well there must be some way I can lose these lonesome blues

Forget about the past and find somebody new

I've thought of everything from A to Z Oh lonesome me

Well I'll bet she's not like me, she's out and fancy free

Flirtin' with the boys with all her charms

But I still love her so and brother don't you know

I'd welcome her right back here in my arms

Well there must be some way I can lose these lonesome blues

Forget about the past and find somebody new

I've thought of everything from A to Z

Oh lonesome me Oh lonesome me
