And for bonnie Annie Laurie

I'd lay me doon and dee

Her brow is like the snowdrift
Her face, it is the fairest

Her neck it's like the swan
That e'er the sun shone on

That e'er the sun shone on
And for bonnie Annie Laurie

And dark blue is her e'e
I'd lay me doon and dee

Maxwellton braes are bonnie
And it's there that Annie Laurie
Like dew on the gowan lying
And like wind in summer sighin'

Where early falls the dew
Gaed me her promise true
Is the fall o' her fairy feet
Her voice is low and sweet

Her voice is low and sweet
And for bonnie Annie Laurie

She's a' the world tae me
I'd lay me doon and dee

Maxwellton braes are bonnie
And it's there that Annie Laurie
Gaed me her promise true
And for bonnie Annie Laurie

Where early falls the dew
Gaed me her promise true
That ne'er forgot will be
I'd lay me doon and dee
