Well there's a dark and a troubled side of life. There's a bright and a sunny side too.

But if you meet with the darkness and strife, The sunny side we also may view.

Keep on the sunny side of life.

It will help us every day,

It will brighten all the way

if we keep on the sunny side of life.

Oh, the storm and its fury broke today,  
Clouds and storms will in time pass away.

Crushing hopes that we cherish so dear.  
The sun again will shine bright and clear.

Keep on the sunny side, always on the sunny side,  
It will help us every day, it will brighten all the way,  
Let us greet with a song of hope each day.

Keep on the sunny side of life.  
If we'll keep on the sunny side of life.

Let us trust in our Saviour always,

Though the moments be cloudy or fair.

Keep on the sunny side, always on the sunny side,

To keep us, every one, in His care.

It will help us every day, it will brighten all the way,

Keep on the sunny side of life.

If we'll keep on the sunny side of life.
