There's a yellow rose in Texas

That I am gonna back to see

Nobody else could miss her,

Not half as much as me

She cried so when I left her,

It like to broke my heart

And if I ever find her

We never more will part

She's the sweetest little rosebud

That Texas ever knew

Her eyes are bright as diamonds

They sparkle like the dew

You may talk about your Clementine

And sing of Rosa Lee

But the Yellow Rose of Texas

Is the only girl for me.

Where the Rio Grande is flowin',  
She walks along the river

I know that she remembers  
I promised to return

She's the sweetest little rosebud  
Her eyes are bright as diamonds

You may talk about your Clementine  
But the Yellow Rose of Texas

Oh, now I'm gonna find her,  
We'll do the things together

We'll play the banjo gaily,  
And the Yellow Rose of Texas

She's the sweetest little rosebud  
Her eyes are bright as diamonds

You may talk about your Clementine  
But the Yellow Rose of Texas

And starry skies are bright  
In the quiet summer night

When we parted long ago  
And not to leave her so

That Texas ever knew  
They sparkle like the dew

And sing of Rosa Lee  
Is the only girl for me.

For my heart is full of woe  
We did so long ago

She'll love me like before  
Shall be mine forevermore

That Texas ever knew  
They sparkle like the dew

And sing of Rosa Lee  
Is the only girl for me.
