Tuning: **DAD**

Capo: no capo

Chords should be A Bmin D F#m G

But for convenience they were changed to **A5 101 Bm 012 D 002 F#5 222 G 013**

Only during the intro we use two different **D5s 000** and **004** (sound way better)

INTRO

Arpeggios go this way (repeat **6 times** strings **1 321 321 3** on chords **Bm 012 D 004 A 101 D 000**) and finish by a slow **Bm 012**

The strum is a bit hard to write down, but following the original song is quite easy. Sing-along is sometimes difficult, especially on the last "hold on"s.

During the end when repeating "You're gonna have to hold on", continue with the **G F#5 Bm** progression.
