But I know, it's nobody's fault

Don't know the reason Stayed here all season

Nothing to show but this brand new tattoo

But it's a real beauty A Mexican cutie

How it got here, I haven't a clue

Wastin' away again in Margaritaville Searchin' for my lost shaker of salt

Some people claim that there's a woman to blame

Now I think, hell, it could be my fault

I blew out my flip flop Stepped on a pop top

Cut my heel, had to cruise on back home

But there's booze in the blender And soon it will render

That frozen concoction that helps me hang on

Wastin' away again in Margaritaville Searchin' for my lost shaker of salt

Some people claim that there's a woman to blame

But I know, it's my own damn fault

Yes, and some people claim

That there's a woman to blame

And I know, it's my own damn fault
